

## Agri-Tech Delegation, Livestock Malaysia

**7<sup>th</sup> – 9<sup>th</sup> April 2020**

***Showcase your innovative technology, meet potential buyers, dealers and progressive farmers across the livestock supply chain at Livestock Malaysia***

Agriculture remains an important sector of Malaysia's economy, contributing 12 percent to the national GDP and providing employment for 16 percent of the population

### **Potential Opportunities**

Livestock Malaysia has developed an outstanding reputation since 2001 as Malaysian's leading event for the feed, livestock and meat industries. Malaysian's International Feed, Livestock & Meat Industry biennial show will return to Malaysia and continues to grow bigger and better each time. Supported by the Department of Veterinary Services, the Ministry for Agriculture and Agro-Based Industries.

The event is expected to attract more than 9,000 local, regional and international trade visitors and delegates, representing integrator, veterinarians, livestock farmers, feed millers, wholesaler, retailers, food processors, importers and distributors.

### **DIT OFFER**

*UK companies participating in the event, can avail themselves of up to £2,500 of TAP grant funding from UKTAG.*

*Delegates will need to arrange and pay for expenses towards flights, accommodation, meals and incidentals.*

*There are limited Trade Show Access grants available for eligible companies on first come first served basis; if interested to avail funding please contact Chris Jackson at [exports@uktag.co.uk](mailto:exports@uktag.co.uk).*
